Dear resident or business owner,

In the October Kop Zuidas newsletter, we informed you about the laying of an asphalt top layer on Gaasterlandstraat on Wednesday 6 and Thursday 7 December 2023. During these activities, the parking garage underneath the SUD building will not be accessible. This means that you will not be able to enter or exit the garage from Wednesday 6 December 7:00 am to Thursday 7 December 7:00 pm (latest). If you do not need to use your car between these times, you can just leave your car in the garage. If you do want to use your car during this period, then we can offer you an alternative parking space.

### Parking in the RAI-garages

To compensate for the parking garage underneath the SUD building being temporarily inaccessible, the council offers you, as a resident or garage user, a free parking permit in the RAI-garages **between Tuesday 5 December 5:00 pm and Friday 8 December 12:00 noon**. You can park your car 24/7 in the garages P1, P2, P3 and P4. Parking at the RAI is managed by means of number plate recognition, so you don't need a pass or tag.

### **Applying for a temporary permit**

If you want to obtain this temporary parking permit for the RAI-garages, then you need to notify us before Wednesday 29 November via the contact form at [www.zuidas.nl/contact](http://www.zuidas.nl/contact), with the reference "Parkeercompensatie Parkeergarage Wielingenstraat". In your message, please provide the following information:

- Name
- Address
- Telephone number
- Number plate of your car

### **Timely removal of the car**

If you want to use your car while the activities are carried out on Gaasterlandstraat, then you need to take it out of the garage underneath the SUD building before 7:00 am on Wednesday 6 December.

### **Information**

Do you have any questions relating to this letter? Then please get in touch with the Zuidas Information Centre via 0800-5065 or [contact@zuidas.nl](mailto:contact@zuidas.nl).
