

MAHLER 1

ZUIDAS AMSTERDAM

Dear residents and/or owners,

We are **Victory Group** and since 2021 we have owned the ABN AMRO headquarters on Gustav Mahlerlaan and the CIRCL building on Gustav Mahlerplein. We have successfully completed several projects in the Netherlands, including the Atrium, which is also located on the Zuidas. We are currently preparing plans for the redevelopment of the CIRCL building, in which context we are now contacting you.

Recently, we started the planning procedure for the redevelopment of the CIRCL building which will be known as Mahler 1. We are organising a walk-in information session to provide owners and residents of apartments in your building with more information. During this information session, we would like to get to know each other more and will provide the opportunity for you to ask questions about the proposed development.
