Subject: **Walk-in meeting Zudo 8 October**

Dear resident, business owner or other interested party,

The area formerly occupied by the ABN-AMRO offices on 10 Mahlerlaan will be redeveloped over the next few years; it will be turned into a lively and accessible place where people can live, work and relax. This redevelopment has been given the name Zudo.

To allow this redevelopment to go ahead, a change to the zoning plan is required. On 8 September 2026, the Municipal Executive issued a draft amending decision for the zoning plan. This draft decision, and all the supporting documentation, will be available for inspection for six weeks starting 17 September 2026.

You can submit formal comments in response to the draft amending decision for a period of six weeks. A link to the publication and supporting documents is provided below (in Dutch only). Instructions on how to review the documents and how to submit formal comments is provided in the same place. You can also find out about this procedure during the walk-in information meeting on 8 October.
