To the residents and business owners in the Amsterdam Zuid station area

Dear resident,

We would like to inform you about building works that will be carried out from 17/18 December. These works are part of Zuidasdok, which involves the widening and tunneling of the A10 Zuid and the complete redevelopment of Amsterdam Zuid station.

Datum

02-12-2022

Saturday 17 and Sunday 18 December

Between 7:00 am and 7:00 pm we will insert in total 20 sheet pilings into the ground of the metroplatforms. Due to the length of the piles this will need to be done by means of vibration.

Building works Zuidasdok
December

If this sheet piling work cannot be fully completed on Saturday, we will continue with the insertion of the last sheet pilings on Sunday. In the case of unforeseen events, such as severe weather or malfunctioning equipment, we will have to continue work into the evening after 7:00 pm.

Disturbance

The building works will result in disturbance in the form of vibration, noise and bright lighting. We understand that this can create some inconvenience to you.

Happy Holidays

No work will be taking place on the construction sites of Building Consortium Nieuw-Zuid between December 24 and January 1. From 2 to 6 January we will only be carrying out cable and pipeline work in the Minervapassage. From Monday 9 January we will return to our full-time building schedule.

You can contact the Amsterdam Zuidas Information Centre 24/7 if you have any questions or complaints: 0800-5065 and www.zuidasdok.nl/contact.
