Subject: **Walk-in consultation meeting The CubeHouse**

Dear resident, business owner or other interested party,

Over the next two years, developer G&S& will be realising The CubeHouse office building on the 'Boog' plot, located on the corner of Parnassusweg and Claude Debussylaan. Publicly accessible services will be housed on the ground floor. Construction company Visser & Smit Bouw has recently begun preparing the building plot, so that the actual building work can start in December. To inform you about the building activities and the design of the building, we will be organising a meeting for residents and other people in the neighbourhood. The meeting will take place as follows:

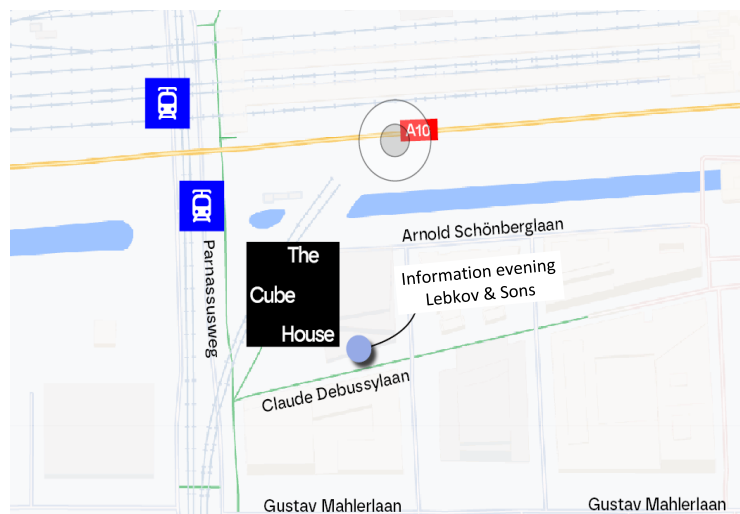

**Date:** Wednesday 13 December

**Time:** 5:30 pm to 7:00 pm

**Location:** Lebkov & Sons Zuidas

#### Meeting Format

The meeting will be set up as a walk-in meeting, there is no plenary session. Between 5:30 pm and 7:00 pm you are welcome to just walk in. There will be several tables where information will be provided by employees of the council, and by the developer G&S& and construction company Visser & Smit Bouw. In addition, there will be information about work on public spaces and about Zuidasdok.
