Dear resident, business owner or other interested party,

On 25 November 2024, you received a letter from us, informing you about the felling permit that had been issued for the removal of 17 trees near 94 Fred. Roeskestraat. These trees need to be felled to enable the construction of the DUET residential complex. Unfortunately, the information we provided about the deadline for submitting an objection against the felling permit was incorrect. The objection period ends on **31 December 2024**, and not, as we wrote in the letter in November, on 17 December 2024. We would like to apologise for this mistake.

For more information on the felling permit, and on how to file and objection, we refer you to [www.officielebekendmakingen.nl](http://www.officielebekendmakingen.nl). You can enter case number 491374 in the search window. More information about the felling of trees, a map with the location of the relevant trees and the new layout of the public space around the residential complex can be found in the letter we sent in November. This letter can also be downloaded from <https://zuidas.nl/en/library/>.
