Subject: Information market Zuidas/Zuidasdok 12 March

Dear resident, business owner or other interested party,

We would like to invite you to visit the information market in the Information Centre Zuidas-Zuidasdok, on Tuesday 12 March. Between 12:00 noon and 1:00 pm and between 6:00 pm and 7:00 pm you can strike up a conversation about any of the developments in your area. You do not have to register in advance, you can just turn up.

Zuidas and Zuidasdok

Zuidasdok staff will be available to answer your questions about the redevelopment of Amsterdam Zuid station, the widening of the A10-Zuid (which will be started this year) and the construction of the A10 tunnels underneath the heart of Zuidas.

Zuidas staff will be able to inform you on the developments in the Zuidas district, and members of the Amsterdam Zuid district committee will also be present.

Additional program

In the afternoon, you will have the opportunity to visit the second station passageway, which is being constructed right now. In the evening, there will be a presentation next to the enormous scale model installed in the information centre. For these activities we do request that you register in advance, via zuidas.nl/markt.
