Subject: **Invitation for De Boelelaan Midden residents' evening**

Dear resident, business owner or other interested party,

In our previous letter, dated 27 August, we informed you about the renewed efforts to re-design De Boelelaan Midden. Since then, you have shared a wealth of feedback with us, through digital participation and during the face-to-face coffee meetings we organised. We would like to continue the dialogue about De Boelelaan Midden, and we therefore cordially invite you to attend a walk-in consultation meeting on **Monday 6 October, between 6:00 pm and 9:00 pm**. You can join at any point during these times. We will also be serving refreshments.

#### **Change of date**

In the previous letter we told you that the residents evening would take place on Tuesday 7 October. Unfortunately, it turned out to be impossible to organise the residents evening on that date. We therefore opted for Monday 6 October as the best possible alternative. We hope you will still be able to attend the meeting despite the change of date.

#### **The agenda**

During this evening, you can join the discussion at a variety of tables, each one dedicated to specific topics:

- The initial design of the traffic lanes
- The design of pedestrian crossings;
- Project planning;
- The mobility hub;
- Art in De Boelelaan;
- The ideas we collected previously regarding greenery and the service road.

#### **Completion of first round**

This residents evening marks the completion of the first round of collaborative planning. We will now use the information and ideas you have provided over the past few months to finalise the plan for measure 1 (traffic lane and pedestrian crossings) and come back to you with a detailed design. Your inputs will also serve as our starting point in the design process regarding measure 2 (greenery and service road). You will be able to contribute to this process during three upcoming participation phases.

#### **Digital participation**

Our online participation channel will remain open until 2 October. If you want to share your thoughts in advance of the consultation meeting, then please do so via <https://denkmee.amsterdam.nl/boelelaanmidden/> (online translation available).

#### **More information**

You are very welcome to join at any time that suits you, between 6:00 pm and 9:00 pm. You don't need to register in advance.

Do you have any question before the meeting? Then please get in touch with us via [zuidas.nl/contact](http://zuidas.nl/contact) or call 0800 – 5065 free of charge. We hope this letter provides all the information you require. More information about this project can be found on <https://zuidas.nl/en/construction-project/de-boevelaan-central-section/>.

Kind regards,

Gerard Boks  
Project Manager Redesign De Boevelaan Midden
