Subject: **Kop Zuidas neighbourhood party**

Dear resident, business owner or other interested party,

On Saturday 20 September, the annual neighbourhood party will once more be organised by the residents of Startblok Kop Zuidas. You are cordially invited to join us between 3:00 pm and 7:00 pm. The party will take place on Hogelandplein as well as on the plots that have not been fully developed yet. The aim is to connect the Kop Zuidas residents with each other.

#### **A special edition**

This year's party will be a very special one: apart from meeting up and having fun, we will also take a moment to enjoy the completion of Hogelandplein and the temporary layout on plots K and L2. This is also why the Amsterdam City Council are co-organising the party this year.

#### **What is going to happen?**

There is plenty to look forward to for people of all ages. You can enjoy something to eat and drink on Hogelandplein, and on the plots with temporary layouts, a variety of activities will be organised.

#### **Music & dance**

- A live band will create a festive atmosphere with cheerful music.
- Hogelandplein will become a Silent Disco venue (music streamed via headsets)

#### **Fun & games**

- Try your hand at traditional Dutch party games – great fun for young and old!
- Create your own “flower bomb” in a workshop organised by The Pollinators, and contribute to our local natural environment (from 4:00 to 7:00 pm).

#### **Food & drinks**

- Tuck into yummy “poffertjes” and other delicacies.
- Finger foods and drinks will be provided to anyone who fancies something to eat during the party.

#### **Explore your neighbourhood**

Join our urban designer Alessandro on one of the hourly guided tours through the area (4:00 pm | 5:00 pm | 6:00 pm). He can tell you exactly how the designs in this neighbourhood were brought about.

#### **Will you join us?**

We do hope you will be able to join us on Saturday 20 September!

Kind regards,

Zeljka Feldsar Bojic

Project Manager Kop Zuidas

In cooperation with **Startblok Kop Zuidas** and **District Committee Zuidas**
