Construction works and major disruptions 2026

Dear resident, business owner or other interested party,

Zuidasdok continues working on the widening of the A10 Zuid. This is required to improve road safety and the accessibility of Amsterdam and the surrounding region. These construction works will unfortunately cause major traffic disruptions.

We want to inform everyone affected and therefore kindly request that you share this information with your employees, members or other people in your network. By doing so, as many people as possible will be forewarned.

Final two Zuidasdok weekend closures in 2025

- Friday 7 November 10:00 pm – Monday 10 November 5:00 am
 - Connection from A10 West onto A10 Zuid A1 Hengelo / A2 Utrecht
 - During evenings/nights several closures to parts of the junction
 - Friday 7 November 10:00 pm – Saturday 8 November 10:00 am: A10 West inner ring road at S107
 - More information: [Closure A10 West direction A10 Zuid](#)
- Friday 12 December 10:00 pm – Monday 15 December 5:00 am
 - Connection from A10 Zuid to A10 West closed
 - More information: [Closure A10 Zuid direction A10 West](#)

Travel advice

During the road closures, we recommend you use the following navigation systems: TomTom Go, Waze or Apple Maps. You can also get travel advice via Whatsapp on 085-0659091.

De Nieuwe Meer Junction Information meeting

Two information meetings about the De Nieuwe Meer Junction project will be organised on Tuesday 12 November. During these meetings, we will bring you up to speed about the building activities, planning and expected traffic disruptions. We really hope to see you there! More information can be found on [Zuidasdok.nl](https://www.zuidasdok.nl).

What comes next

In 2026, we will continue working on the widening of the A10 Zuid and also on Amsterdam Zuid station, which will again necessitate road closures. An overview of the closures is provided in the attachment. This overview reflects our current best estimation and is subject to change. Keep checking our communication channels for the latest information.
